### Wind Hill 2005

The start of the race for the Wind Hill Trophy, held on August 28th, 2005. Rhode Island Red won the Trophy for the second year running. Full results appear later in the newsletter. This year's Wind Hill will be held on Sunday, August 27th.

## From the Commodore

Once again, it is August. We have received our invitation to the Herreshoff Marine Museum rendezvous on Saturday August 26<sup>th</sup>. Fish Hawk will be there, and we will be taking part in the Wind Hill on Sunday 27<sup>th</sup>

One of the association's members, Erick Singleman, would like to crew at the rendezvous. If anyone needs crew please send me a message ([andrew@nbh12.org](mailto:andrew@nbh12.org) or 401 254 1011) and I will forward it to him.

I have had people ask me how we keep Fish Hawk dry on the mooring. We use a simple wave driven pump, which hangs off the end of the boom, over the stern, and is very effective at keeping the boat dry. The pump is called a SMART pump, and is available from Perkins Ltd. PO Box 96, Mattapoisett, MA 02739. 617 758 4778.

I have been out sailing in a Laser this year, and I have just finished building an Optimist for my children to sail. On Tuesday evenings in Bristol harbor, there is a fleet of Lasers, and fleet of 12½'s, and a fleet of A-class catamarans. They all look great.

I hope to see you on the water, or at the Rendezvous in a few weeks.

SSE breeze at start, freshening later to SE 15+ knots. Many thanks to Shawen Williams and Hope and Arthur MacKeith for being the race committee.

Don't forget the Association's web site NBH12.org. There are many more photos on the web site than can be put in the newsletter, and of course, they are in full color too. There are links to other yacht clubs, and local weather stations, and I always post the results on the site as soon as I can. If you have 12½ footer news that you think the world should know, it can be posted on the site. Just let me know.
