

## Summer 2008

### Wind Hill 2007

Becalmed before the scheduled start of the Wind Hill.

### From the Commodore

It's July, and Fish Hawk sits proudly at her mooring. We launched at Bristol Marine, and sailed her to Mount Hope Bay on Saturday, in a perfect breeze. There are at least 4 12 ½ footers moored outside the Marine Museum in Bristol, and I see several 12 ½ footers out in Bristol Harbor quite regularly.

The Wind Hill last year was cancelled for lack of wind as can be seen in the above photo; very sad. Several boats spent an uncomfortable few hours drifting around the Wind Hill dock waiting, but to no avail.

The newsletter is a bit thinner than usual; any experiences, anecdotes, or stories would be welcome for the next one.

Good luck with your 2008 season, and I hope to see you on the water or at the Rendezvous in a few weeks.

## NBH12.org

Don't forget the Association's web site NBH12.org. There are many more photos on the web site than can be put in the newsletter, and of course, they are in full color too. There are links to other yacht clubs, and local weather stations, and I always post the results on the site as soon as I can. If you have 12½ footer news that you think the world should know, it can be posted on the site. Just let me know. Several of the newsletters are also on the site, if you want to review the old ones.
